Previous donations collected

\$5,000 from Todd Takayama, First Insurance of Hawaii Charitable Foundation
They sent \$5,000 to last year's campaign as well.

\$150 from Lucy & Milton Inouye – They are on our general mailing list. In the past they have donated to the year-end campaign so they must have decided to donate to this campaign instead this year, assuming they saw the information online. They have consistently donated to the year-end since 2018. BTW, they are not TOC members.
